THE FOUNDATION FOR ANIMAL CARE AND EDUCATION

The Foundation for Animal Care and Education (FACE) is the first of its kind in San Diego County. While there are wonderful charitable groups focused on finding homes for pets without families, there are no other organizations that are singularly dedicated to saving the lives of pets that are already in loving homes, but whose families cannot pay for all or part of the emergency or critical care they need to survive. FACE relies solely on donations to continue its mission of providing access to life saving veterinary care and to enhance and preserve the quality of life for these loving pets.
